baskets and string all taking form into glowing, modern shapes.

Yanic's Three Favourite Hanging Lamps:

- Hudson Chandelier
- Modo Chandelier
- Egyptian Pendants from Snob (on right)

The Light Experience: If you really want to get wowed by hanging fixtures, I would strongly recommend taking a trip to Paris to the Cristal Baccarat room, a restaurant where I was lucky enough to have visited in 2012. Many elaborate and exquisite chandeliers hover over the tables creating a warm, romantic glow that you can't get anywhere else.

4 | ARTWORK

In 2013 we will be visually impacted by the ethnic and decorative classical Chinese style with a modern edge in colour diversity, and a younger, more "popular" feel. Embroidery and carvings in artwork will be seen due to the innovation of modern technology, giving the interior space a cultural heritage with a modern emotion.

5 | FURNISHINGS

Old furniture and accessories become new again – modern interior design trends for 2013 will reflect this and will strongly encourage us to take care of the planet and enjoy a nice blend of retro and modern interior design creating a feeling of vintage style.

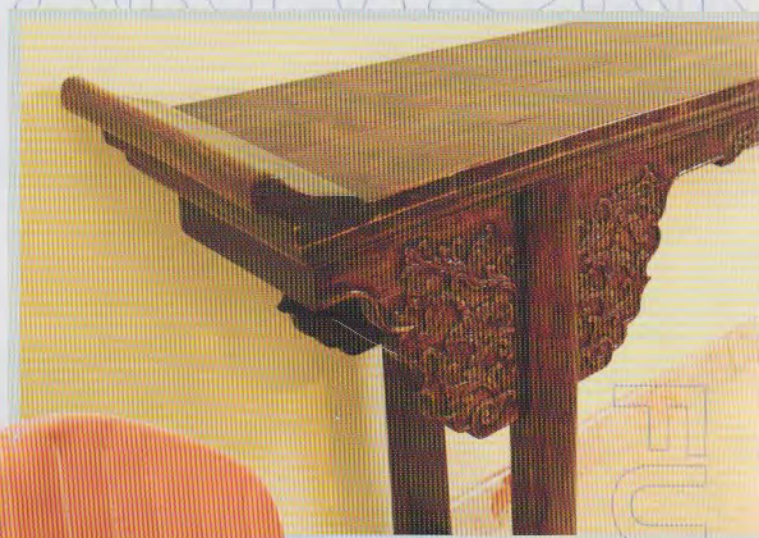

YANIC SIMARD

Yanic is the principal designer of Toronto Interior Design Group. Specializing in residential and commercial projects, Yanic often applies his signature high/low and old/new combination techniques in developing his unique designs. He has created designs for clients in Toronto, Montreal and Miami, and appears as a regular guest expert on Citytv's CityLine. Visit tidg.ca for more information.
