Worldly Delights

Add a touch of the exotic or an earth-friendly find to your space

▲ Sunny Disposition

A sunny take on the classic swivel rocker, inspired by the entertaining lifestyle of Rio de Janeiro. Rio Collection by Lloyd / Flanders, lloydflanders.com

▶ Thin Line

The ultra-fine layer of aluminum backing on SilverScreen™ solar shades dramatically improves your home's solar energy performance while maintaining excellent views to the outside. Its reflective quality keeps solar heat outside in the summer and reduces the loss of warmth in the winter. Available in 10 colours. Elite Window Fashions, elitewf.com

▲ Pillow Talk

Made of 55 per cent hemp and 45 per cent organic cotton, the fabric used for these eco-friendly pillows by Fluf Design is hand-printed locally in very small quantities, using water-based, heavy-metal-free and biodegradable dyes. Fly Outline and Solid pillows, 20"x20", priced from \$88, available at fluf-design.com
