## ...where design contradicts feel and function

#### Rock On ▼

Looks can be so deceiving. The cushiony soft Pebble Carpet (\$395), designed by Ronel Jordan, is made from felt, using 100 per cent wool. Available in a variety of colours or can be custom-coloured.

#### A Cut Above ▶

The Spicy Steak Knives (\$109.95), from Legnoart, won Best Design Innovation in the 2012 Retail News Best Gift Awards. Made of high-grade stainless steel, the serrated blades offer superior sharpness.

#### Bathing Beauty

Even though this item sells in the U.K. and is unlikely to be shipped to Canada – it weighs 150 kilograms – we include it here as a source of inspiration. A modern twist on the sofa briefly featured in *Breakfast at Tiffany's*, the Max Bath Sofa (£1,850) is fashioned from a vintage cast iron tub and upholstered in fabric of the consumer's choice.
